Product Description

Rocking Horse, miniature

A childhood dream, the white rocking horse with red saddlecloth, brown saddle and gray stirrups. The beautiful eyes radiate liveliness. An absolute highlight in the child's room, which you should not do without.

For more than 60 years Reutter has been manufacturing its porcelain collections in its own production facility. Reutter's porcelain miniatures are the only ones of their kind to be manufactured in Germany. And they are famous for their attention to detail. During their manufacture the porcelain articles pass through the hands of as many as 17 skilled craftsmen: after casting, they are glazed, painted and then fired as many as three times to give them their characteristic Reutter look. It is this tradition of craftsmanship which won Reutter friends all over the world.
