Product Description

Coffee Tray "Cock", miniature

Colorful coffee tray "Cock". A coffee pot, a cup and a milk and sugar container are presented on a tray. Scale 1:12.

For over 60 years, Reutter has been producing his large porcelain collection itself. Its porcelain miniatures are the only ones in Germany.

During the process of manufacturing, the porcelain items pass through the hands of up to 17 skilled craftsmen: after casting, they are glazed, painted and then fired as many as three times to give them their characteristic Reutter look. It is this tradition of craftsmanship which won us friends all over the world.

Reutter is constantly working on rounding off and completing his collection of miniatures. They always succeed in inspiring collectors from all over the world.
