Product Description

Toilet "Blue Rose", miniature

As with all miniatures of Reutter porcelain, the attention to detail can be seen here as well. Among the variety of miniatures, you can see the toilet "Blue Rose" here. The high-quality porcelain bathroom equipment features hand-painted gold accents with rich brass finish hardware.

For over 60 years, Reutter have been producing their large porcelain collection themselves. Their porcelain miniatures are the only ones in Germany.

And they are famous for their attention to detail. During production, each porcelain item passes through the hands of up to 17 skilled craftsmen: after casting, they are glazed, painted and, all in all, fired three times to give them their characteristic Reutter look. It is this tradition of craftsmanship which won Reutter friends all over the world.

Reutter is constantly working on rounding off and completing their collection of miniatures. They always succeed in inspiring collectors from all over the world.
