Product Description

Mini Advent calendar "Munich Town Hall"

The "New Munich Town Hall" on Marienplatz was built in neo-Gothic style and completed in 1905. So it's not as old as you would expect when you see the New Munich Town Hall. The New Munich Town Hall is the landmark of the city of Munich. The Munich Town Hall Tower houses the biggest attraction of Munich, the fifth largest carillon in Europe. The carillon has 43 bells and plays daily.

Every year on Marienplatz in Munich, there is the largest Christmas market in Munich during the Advent season. This Advent calendar shows the New Munich Town Hall and the Christmas market on the Marienplatz in historical style. A wonderful ambassador for the beautiful Christmas city of Munich, to be sent around the world.
