Product Description

Coffee set "Christmas wreath", 11 pcs., miniature

This enchanting coffee set "Christmas wreath" contains four cups and plates each and a coffee pot, milk jug and sugar bowl.

For more than 60 years, Reutter have been producing their large porcelain collection themselves. Their porcelain miniatures are the only ones in Germany.

The attention belongs entirely to the detail. During production, the porcelain items are picked up up to 17 times. They are poured, glazed, painted and fired three times until they have their typical Reutter flair. This craftsmanship has brought them friends around the world.

Reutter are constantly working on rounding off and completing their collection of miniatures. They succeed in consistently inspiring collectors from all over the world.
