### Product Description

#### Butcher Shop, miniature

Beautifully decorated miniature "Butcher's shop" with open door. A variety of delicacies, from sausages and ham to cheese, sauces and soups. Porcelain plates, pots and bowls complete the equipment. And a beautiful old cash register, meat mincer and slicing machine are also a part of the shop.

For more than 60 years, Reutter have been producing their large porcelain collection themselves. Their porcelain miniatures are the only ones in Germany.

The attention belongs entirely to the detail. Up to 17 times, the porcelain items are picked up during production; they are poured, glazed, painted and fired for the third time until they have their typical Reutter flair. This craftsmanship has brought them friends all over the world.

Reutter are constantly working on rounding off and completing their collection of miniatures. They succeed in consistently inspiring collectors from all over the world.
