Product Description

Serving table "Wine bar", miniature

On this serving table, wine lovers will find everything they need: red wine, white wine, rosé, sparkling wine and sherry, as well as fresh bread, cheese and grapes. A wine jug and a serving plate made of fine porcelain complete the assortment.

For more than 60 years, Reutter have been producing their large porcelain collection themselves. Their porcelain miniatures are the only ones in Germany.

The attention belongs entirely to the detail. Up to 17 times, the porcelain items are picked up during production; they are poured, glazed, painted and fired for the third time until they have their typical Reutter flair. This craftsmanship has brought them friends all over the world.

Reutter are constantly working on rounding off and completing their collection of miniatures. They succeed in consistently inspiring collectors from all over the world.
