from **499,12 EUR**

Item no.: 326552
shipping weight: 10.00 kg
Manufacturer: gie el.

Product Description

Steel floor lamp TOWER BIG, white

Extremely impressive, geometric floor lamp made of bent steel. Powder coated in white. The straight bending lines and two different sides of the lamp make the form dynamic, creating unusual reflections and light. A perfect supplement to minimalist, Scandinavian interiors. Put it in the living room or bedroom – instead of bedside lamp. Manufactured in Poland.
