Product Description

gie el. - Asymmetrical steel wall shelf PANDA II white

Asymmetric, small wall shelf. Made of bent steel in white. Extremely simple and minimalistic form. Due to its relatively small size, it fits confined spaces – a hallway or being suspended above the desk to put away small office accessories. You can mount it in two ways -so that the metal part is visible in the upper or lower part – depending on your taste. Looks great alone or in a group of shelves. Manufactured in Poland. The shelf is also available in black.
