Product Description

Buddy wall hook (3) Assortment, black

Buddy Hooks are a playful, yet modern set of 3 hooks, constructed of durable molded polypropylene. The hooks are a functional and space-saving alternative to a traditional coat rack. Giving the illusion Buddy characters are climbing up a wall, the hooks add character and personality to a space, while keeping coats and accessories organized, and accessible.

They serve as quirky wall décor even when not in use. The head, arms and legs provide a convenient place to hang your items, including coats, scarfs, purses, backpacks, and umbrellas. The Buddy hooks can add a fun accent to any space, whether it be an entryway, bedroom, bathroom, dorm room or office.

They are easy to install, coming with clear step-by-step instructions, and the concealed mounting hardware creates a seamless appearance. The hooks are part of wider Buddy Collection, including a clock, bottle opener, cork screw, paper towel holder, tea infuser and more.
