Product Description

Collectors Tray "Christmas

For the miniature lovers worldwide we have a great novelty this year. Limited Edition Miniature Tray. This miniature tray is limited to 1200 pieces worldwide. On the bottom of the wooden tray, there is the authentication label with consecutive collector number.

Our miniature trays are crafted in scale 1:12. Skilled workmanship and attention to detail give our miniatures that special Reutter look. All our gold decorated porcelain pieces are hand painted in 24k gold and fired in a kiln up to three times at 800°C (1470°F). Our miniature masterpieces fascinate people all over the world and stimulate a passion for collecting.

Everything from Reutter Porzellan is decorated with love to detail and carefully made by hand, so for sure you will get your own little unique own.

Our miniature products are not suitable for children under 14 years old.
