Product Description

HUB ladder, black/walnut

Hub extendable clothes ladder is a modern organizer that can be used in the bathroom as a towel rail or for storing blankets. Hub not only adorns every room, it is also adjustable in size, which makes it flexible in use.

Hub is 152 cm high and can be extended in width from 41 to 67 cm if required to store larger textiles or shower towels on it. The maximum load capacity per rung is 2 kg. Patent pending.

Umbra is an internationally operating design company known for original, modern, cool, functional and affordable products for home & living.
