Product Description

TUG kitchen roll holder, smoke

Umbra Tug is a standing kitchen roll holder, kitchen roll holder, paper towel holder, paper holder and kitchen roll dispenser.

In contrast to fixed kitchen roll dispensers, Tug is particularly mobile and can be used anywhere in the house. Thanks to its own weight and the rubber studs attached to the underside, Tug is non-slip and stable. Tug's secret is its uniquely shaped rubber holder, which has been designed to provide just the right amount of resistance to tear paper off the kitchen roll with one hand.

Are you looking for a modern and, above all, functional kitchen roll holder that is easy to use? Then order your Tug kitchen roll dispenser from Umbra today!

About Umbra: Umbra is an international design company that is known for original, modern, cool, functional and affordable products for home and living.
