Product Description

PICKET coat rack with 5 coat hooks, black

Umbra Picket with 5 coat hooks is a coat rack and modern wall decoration made of sanded pine wood.

You can never have enough storage options, and preferably one that does not require any additional space. With this coat rack you get two products in one: a coat rack with foldable hooks and at the same time an art object for your walls.

We introduce Picket by Umbra: At first glance, Picket looks like an object of art with its beautiful design and rounded pinewood rods. Picket has 5 folding hooks, each of which can be loaded with up to 2.3 kg. When Picket is not in use and its hooks are up, this coat rack looks like a piece of art.

Put several Picket coat rails next to each other and turn your wall into a gallery. The beautiful cloakroom rail can be installed in next to no time using the attachment materials included in the scope of delivery. The cloakroom made of natural pine wood is 38 x 16.5 x 4.5 cm in size. This 2-in-1 product is a convincing alternative to the classic cloakroom rail, order your picket today.
