### Product Description

Party hut Hüttenzauber - Series 730

Party, party !! The party can start here!

Whether the alpine hut in the mountains or a hidden hut in the countryside. Here you can celebrate with beer, wine or a fine punch. Entertainment with card games and guitar music was also thought of. Let yourself be carried away into a world full of "hut fun".

Our huts are made of wood and can be placed or hung up and have two removable door leaves. The filigree workmanship and the attention to detail give our miniatures their very special Reutter flair. All of our porcelain parts with gold decoration are decorated by hand with 24 carat gold and fired at 800 ° C. Our miniature works of art inspire people all over the world and often arouse a hitherto undiscovered passion for collecting.

All of our miniatures are handcrafted with care and dedication. Each Reutter miniature is unique and is made personally for you.

The original may differ slightly from the picture.

All individual parts are fastened in such a way that they do not come loose.

Our miniature items are not suitable for children under the age of 14.
