Product Description

Incense cones Indian Summer M, 20 pieces

World tour - fine fragrances from all over the world.

The exotic fragrance compositions of this series take you on a mysterious journey around the world. Get to know scents from distant countries, which are characterized by typical herbs and plants, such as E.g. tobacco leaves, eucalyptus or lotus blossoms, get their very characteristic note.

A flowery, woody dream of late summer ignites like Canadian sugar maple, whose bright red surpasses everything. Summery-fruity and autumn-warm elements form a soft and velvety scent, which caresses you with accords of honey, coconut and caramel, while benzoin and cocoa dissipate tart and chocolatey. This scent is simply beautiful! Candles are made from charcoal, wood flour, potato starch as a binding agent and exquisite fragrances such as resins, herbs, essential oils and much more.

The Original Crottendorfer Räuch

Our specialist knowledge, which has grown over decades and passed on from generation to generation, is decisive for the high level of quality.

Incense candles, incense sticks and incense may only be used on a fire-proof surface and under supervision. Please note that all incense burners can get hot during use. Therefore, always place the censer on a temperature-insensitive surface.

Use a sufficiently large censer for every incense cone size!
