Product Description

Incense candle advent calendar, 24 pieces

The incense candle advent calendar with 24 different scents - a different pleasure every day.

An advent calendar for the whole family that is guaranteed not to make you fat!

During the manufacture of the incense candle, a mass is created from charcoal, potato flour as a binding agent, sandalwood, red beech flour and some other ingredients for easy flammability, to which only the fragrance is added. In addition to the "king powder" incense, other substances from distant, exotic countries are added to the candle mash, such as amber, lavender, mastic or Peruvian balsam. The candles are then shaped, dried and packaged from this raw pulp.

Incense candles, incense sticks and incense may only be used on a fire-proof surface and under supervision. Please note that all incense burners can get hot during use. Therefore, always place the censer on a temperature-insensitive surface.
