Product Description

Duftique - Flowers & amp; Fruits, World Tour & amp; Sensual Magic

A small selection of fragrances to get to know:

- Flowers & amp; Fruits: bouquet of flowers, cassis, coconut, strawberry-vanilla, spicy scent, green apple
- World tour: African Night, Black Forest, Cuba Blend, Indian Summer, Russian Red, Zen Garden
- Sensual Magic: Bed of Roses, Coffee House, Fire of Love, Harmony, Provence, Wild Romance

During the manufacture of the incense candle, a mass is created from charcoal, potato flour as a binding agent, sandalwood, red beech flour and some other ingredients for easy flammability, to which only the fragrance is added. In addition to the "royal powder" frankincense, other substances from distant, exotic countries are added to the candle mash, such as amber, lavender, mastic or balsam of Peru. The candles are then shaped, dried and packaged from this raw pulp.

Flowers & amp; Fruits - Enjoy fruity scents all year round. The original Crottendorfer incense cones are made from charcoal, wood flour, potato starch as a binding agent and exquisite fragrances such as resins, herbs, essential oils and much more. Our specialist knowledge, which has grown over decades and passed on from generation to generation, is decisive for the high level of quality.

World tour - fine fragrances from all over the world. The exotic fragrance compositions of this series take you on a mysterious journey around the world. Get to know scents from distant countries, which are characterized by typical herbs and plants, such as E.g. tobacco leaves, eucalyptus or lotus blossoms, get their very characteristic note.

Sensual Magic - wellness for the senses. Fine scents and soothing smoke seduce our senses in an extraordinary way. The magic of exquisite ingredients unfolds its sensual magic in the fragrance creations of the "Sensual Magic" series. Whether in the bathroom, in the sauna or while relaxing - with these wellness fragrances you leave everyday life behind.

Incense candles, incense sticks and incense may only be used on a fire-proof surface and under supervision. Please note that all incense burners can get hot during use. Therefore, always place the censer on a temperature-insensitive surface.
