Product Description

BOLAS 1" telescopic curtain pole 183-366, black

Umbra Bolas is an extendable telescopic curtain rod with a diameter of 2.5 cm.

With its classic, ball-shaped end pieces in a modern design, Bolas can be integrated into a variety of interior styles. The telescopic rod is suitable for numerous window sizes. Made of steel, the curtain rod is robust and has an attractive design.

Includes all necessary fixing materials for easy installation. Bolas curtain rod with a diameter of 2.5 cm is available in various sizes and is suitable for curtains weighing up to 10 kg. This curtain rod is made with a more environmentally friendly coating. This produces 85% less water and solid waste than conventional galvanic coatings.

- Material: steel
- Weight: 1,61 kg
