Product Description

BUDDY kitchen roll holder free-standing, white

Umbra Buddy kitchen roll holder free-standing is a kitchen roll holder and paper roll holder made of metal in white.

Besides that Buddy has a very eye-catching design, it is also very practical. The rubberised Buddy figure holds the kitchen roll firmly so that paper can be torn off with one hand and so that the roll does not unwind itself. Buddy takes up very little space on your kitchen worktop and is easy to clean with a damp cloth.

About Umbra: Umbra is an internationally operating design company that is known for original, modern, cool, functional and affordable products for home and life.
