Product Description

VENUS extendable curtain rod 183-366cm, gold

Umbra Venus is an extendable curtain rod with a diameter of 2.5 cm.

Inspired by the soft shape of an hourglass, Venus features a delicate collar with organically shaped finials. Venus suits a wide range of windows and interior styles. Made of steel and resin, the curtain rod is durable and has an attractive design.

Includes all necessary mounting hardware for easy installation. Venus curtain rod with a diameter of 2.5 cm is available in various sizes and is suitable for curtains weighing up to 10 kg.

The curtain rod is made with a more environmentally friendly coating. It produces 85% less water and solid waste than conventional galvanic coatings.

About Umbra: Umbra is an international design company known for original, modern, cool, functional and affordable products for home and life.
