Product Description

At the age of 27, Beatrix Potter wrote a letter to a young friend, Noel Moore, and drew bunny pictures to go with it. More letters followed and all the children who received them were delighted with the drawings. She then decided to publish the pictures as a book. Our porcelain collection includes a variety of different shapes and designs. The careful workmanship and detailed decorations give our porcelain the typical Reutter flair. All of our porcelain pieces with gold decoration are hand-painted with 24 carat gold and fired at 800°C. Our porcelain/articles are delivered in high-quality gift packaging.
