Product Description

The Flower Fairies motifs by the English writer and illustrator Cicely Mary Barker have inspired many generations. Graceful fairies take you into a fairytale world where everything seems possible. The motifs have often been copied, but the enchanting mood of the original motifs remains unrivalled. That is why we only use licensed original motifs by Cicely Mary Barker.

Our porcelain collection includes a variety of different shapes and designs. The careful workmanship and the detailed decorations give our porcelain the typical Reutter flair. All of our porcelain pieces with gold decoration are hand-painted with 24 carat gold and fired at 800°C. Our porcelain/articles are delivered in high-quality gift packaging.
