

Item no.: 362569

Mug chopsticks, 2 pairs

from **53,03 EUR**

Item no.: 362569
shipping weight: 0.10 kg
Manufacturer: Philippi Design

Product Description

Japanese cuisine is considered the healthiest in the world, and nothing works without chopsticks. However, the art of cultivated handling of the delicate cutlery consists of carefully picking up sashimi or California rolls without knotting one's fingers. No problem, because the mere presence of MUG makes all the gourmets look so elegant that initial handling errors can be easily overlooked. Itadakimasu!

Caution. Not suitable for children under 36 months.

- Material: Sandalwood sticks - metal end with nickel plating, set of 2x2
