

Item no.: 362663

Solero Vase in Stand, L

from **88,19 EUR**

Item no.: 362663
shipping weight: 0.70 kg
Manufacturer: Philippi Design

Product Description

Like a stranded UFO, the vase rests suspended in the air on the specially made stand. When extravagant design meets completely earthly materials such as nickel and steel, SOLERO has arrived on planet Earth. This makes it stand out pleasantly from the conventional vase monotony without seeming out of place. Caution! Not suitable for children under 36 months.

- Material: Vase = highly polished nickel plating, frame = powder-coated steel
- Weight: 1,00 kg
- Length: 14 cm
- Width: 14 cm
- Height: 21 cm
