Product Description

Aachen Cathedral, also known as Aachen Cathedral, Aachen Minster or Aachen St. Mary's Church, is the bishop's church of the Aachen diocese and the most important landmark of the city of Aachen. The cathedral consists of several partial buildings whose respective periods of origin range from the early Middle Ages to the late modern era.

The Advent calendar by Olewinski & Tochter shows Aachen Cathedral in a traditional winter setting. Regional and Christmas motifs are hidden behind the windows and are waiting to be discovered. Have fun!
