Product Description

The Feathers noiseless wall clock (30 cm) by NeXtime is a work of art that shows feathers swirling on a golden sky. Designed by WENergy, the screen print on two levels creates an illusion of movement that makes your mind travel to an imaginary dimension and enjoy a mental escape. This clock requires 1 x AA battery (not included).

- Material: Plastic
- Colour: Multicoloured
- Clock type: Wall clock
- Size: Ø30 cm
- Movement: Silent movement. So no ticking noise
