Product Description

Wall/table clock "Big D", Plastic, Black, 51.5 x 18x 4.5 cm

The NeXtime "Big D" is a large digital wall and table clock. The clock has a black plastic case while the clock face is made of glass with a red LED lighting. This large design makes sure you can read the time easily from a distance, which makes it suitable for public or office areas. The clock runs on AC power and has a 4 meters long wire. The adapter works in the EU, US and UK and is included.
