📄 Product Description

Introducing the SLING draining rack: The space-saving and efficient solution for your crockery. The user-friendly and durable draining rack offers maximum capacity and keeps your worktop tidy. The SLING draining rack has a foldable metal frame and a foldable mat that fits perfectly into the practical caddy base. The base has three compartments for your cutlery, large utensils such as wooden spoons or dishwashing accessories such as sponges and scrubbing brushes. The SLING draining rack is not only incredibly functional, but also portable. When not in use, it folds up for easy storage and is perfect for taking with you on camping trips. To keep everything in place, a silicone strap wraps around the base of the caddy and holds the mat and rack in place when not in use. The mat is dishwasher safe. ??
