Product Description

TOUCH Soap Dish, gray

A bathroom can quickly look messy and cluttered because there are too many toiletries and not enough storage space. With the help of this simple and modern soap dish you can conjure up a little luxury on your washstand.

The soap dish by Umbra is a simple and handy soap dish with a luxurious soft-touch finish that feels soft and matt.

Its grooved shelf surface prevents waterlogging and helps the soap bar dry faster after washing, extending the life of the soap. It is made of a matt, soft and extremely robust material that is also easy to clean.

Whether in the bathroom, guest toilet or kitchen, with its compact dimensions of 14 x 9 x 2 cm it fits almost everywhere.

The soap dish is part of the Touch bathroom collection, which was created for Umbra by designer Alan Wisniewski. This collection also includes soap dispenser (335548), bathroom trash can (335560), toilet brush (335557) and toothbrush holder (335553). In addition, the Touch collection is available in various classic and trendy colors, such as ocean blue (335544), blush pink (335542), black (335541) and white (335545).
