Product Description

TESORA Tall jewellery stand with base, brass

Large jewelry stand for chains with integrated jewelry tray for rings, earrings, bracelets, watches and accessories, 3 levels, made of synthetic beton-resin and copper-plated metal. Tesora Jewelry Stand provides contemporary, industrial-inspired jewelry storage, constructed using raw architectural materials. Available in a variety of unique finishes, Tesora blends with other decor while adding a subtle modern touch. This jewelry stand is designed with three posts of varying heights to accommodate jewelry of any length. At the base of the tree is a dish, which allows for additional storage of smaller accessories, like earrings and brooches. The stands unique double wire detailing on each post makes for secure display of earrings or cufflinks. Pair the Tesora Stand with the Tesora Jewelry box for a complete set designed for all your jewelry storage needs.

Umbras Tesora Jewelry stand uses unexpected materials to create a modern jewelry organizer that is as beautiful as it is functional.

Tesoras low, medium and tall posts allow you to display jewelry of all lengths.

Each post has a double wire top for beautifully storing and displaying stud earrings along with any variation of hoop, drop, or dangle earring.

Tesoras base doubles as a dish for easy storage of rings, brooches and any other small accessories.

Umbra is an internationally operating design company known for original, modern, cool, functional and affordable products for home & living.
