Product Description

If asked about their dream location, Cohiba, Montecristo and Co. would certainly choose the SCALA cigar ashtray, which shares their ambitions in terms of simplicity, elegance and exceptionally good flavour. Fully committed to Bauhaus, SCALA has only one notch - so a real Havana doesn't have to share the best place with anyone else and always lives up to its exclusive claim. The indispensable utensil shines like a mirror for all connoisseurs and those who know how to distinguish the better from the good.
