Product Description

In addition to the indispensable ingredients milk and sugar, the 3-piece CREAM set brings a lot of joy to the coffee table. CREAM also scores points on small bistro tables as it can be stacked to form a space-saving tower. While the milk jug sits on top as a lid, the sugar bowl waits patiently for its turn at the bottom. It's not just a marvellous way to enhance coffee, tea will also turn pale with envy as soon as the first shot of milk pours into the fine porcelain.
