Product Description

Christmas folding card Salzburg

The UNESCO World Heritage City of Salzburg is world-famous for all the cultural highlights it has to offer. Wolfgang Amadeus Mozart probably plays the biggest role here, as he was born here and lived in Salzburg for many years. Mozart is omnipresent in Salzburg, for example through the Mozart Monument, Mozartplatz, Mozartsteg and the delicious Mozartkugeln.

The Salzburg Festival is also world-famous. In July and August every year, the whole of Salzburg falls under the spell of the Salzburg Festival. The most famous play, "Jedermann" by Hugo von Hofmannsthal, attracts thousands of culturally interested visitors to Salzburg.
