Product Description

Christmas postcard Schwerin Castle

Located on the castle island in the city centre of Schwerin, Schwerin Castle is the most famous and magnificent of the more than two thousand castles and manor houses in Mecklenburg-Western Pomerania and is considered one of the most important examples of Romantic Historicism in Europe.

Due to its romantic appearance and comparable magnetic effect on visitors, Schwerin Castle is also known as the "Neuschwanstein of the North", the "Cinderella Castle" and the "Fairytale Castle".
