Product Description

If your jaw is dropping right now, it's certainly for a good reason: ESMERALDA enchants with slender measurements that models dream of and a truly sexy waist that makes even the flowers jealous. The latest family member from the 4-piece ESMERALDA series is also the most delicate and finds a pretty place even in the smallest corner. Made of sandblasted borosilicate glass, it is embedded in another glass cylinder, which gives it a floating character. More lightness is not possible.
