Product Description

SMALL BUT NICE!

By far the most discreet way to showcase postcards and photos without a picture frame is called TWINS. Two inconspicuous, magnetic picture holders made of brushed nickel and cast metal, which alternatively hold up leaflets, place cards or reservations in restaurants and at events. Or they can be given as a wedding or Valentine's Day gift, complete with photo.

- TWINS is a small magnetic stand for photos, postcards or notepads
- TWINS can also serve as a place card holder. For example for restaurants or at events like weddings or birthdays
- With a personal photo, TWINS is a wonderful gift for a wedding anniversary, Valentine's Day or just in between
- Material: brushed nickel plating, magnets
- Weight: 90 g
