Product Description

The final course of every brilliant menu is celebrated with this board made of fine walnut wood. Don't worry: even the most delicate noses will be adequately protected by the beautifully shaped glass bell with leather ribbon.

NATURALLY BEAUTIFUL - Our WALNUT cheese board relies entirely on natural materials. The durability and functionality of glass and walnut wood will convince everyone.

BREAKPROOF BOROSILICATE - The glass cover is made of particularly robust borosilicate glass. The colour-coordinated leather strap blends harmoniously with the glass bonnet and walnut board.

READY FOR EVERY USE - The WALNUT cheese board can be used for very different purposes. For storing cheese, as a serving plate for exclusive delicacies such as caviar or oysters, or simply as a high-quality cutting board.

Caution! Not suitable for children under 36 months.
