Product Description

It soars majestically through the air. Possibly only a few wing beats away from its destination. Whether it leaves a burning trail of destruction in its wake is up to it alone. With the craft kits from LIEBESREH, you can create large and impressive paper sculptures without any special knowledge. The cutting out, folding and creasing of the labelled components is clearly marked and is part of the relaxed crafting fun. With the help of our detailed step-by-step instructions, you then glue the individual parts together and will be amazed at how an impressive three-dimensional figure develops in your hands.
