Product Description

Turn your home into a bullring. Proud and powerful, the bull stands in their midst. All eyes are on the bull, he is ready to lower his head to take the torero on his horns. However, if you are interested in the ups and downs of the stock market, the bull in combination with our bear will be a fitting monument to your passion. With the LIEBESREH craft sets, you can create large and impressive paper sculptures without any special knowledge. The cutting, folding and pleating of the labelled components is clearly indicated by clear markings and is part of the relaxed crafting fun.
