Product Description

DESIGN WITH HIGH ENJOYMENT 100% classic, 100% timeless, 100% elegance = 300% HENRY. The HENRY hip flask is an exceptionally good choice for high-proof drinks when travelling. The smart companion for sailing, hiking, hunting, camping, pilgrimages, golf, the stadium and après-ski fits comfortably in any jacket pocket thanks to its curved shape. Of course, the highly polished surface can also be engraved, making it a personalised gift for Father's Day, birthdays or shooting festivals. The older, the better is not only true for Scotch whisky, but also for the durable, robust stainless steel, which forgives the odd carelessness and acquires a beautiful patina after years. HIGH-PROCESS 100% classic, 100% timeless, 100% elegance = 300% HENRY. EVERYTHING EXCEPT BREAD is the hip flask. So much so that HENRY, with its additional curved shape, fits comfortably in any jacket pocket. CHEER! The smart companion for sailing, hiking, hunting, camping, pilgrimages, golf, stadiums and après-ski.
