Product Description

Hinz und Kunst - "Elderly Care" figurine The original screw figures and metal figurines are lovingly handcrafted and make an ideal gift for all professions. This professional screw figure is a special gift for the care of the elderly or nursing professions. The glasses worn by each screw figure are a common thread running through the entire repertoire of screw figures as a special trademark of the artist Günter Scholz. A great gift idea, whether for a birthday, as a token of love, for a name day, as a Christmas present or simply as a gift for guests.
