

Item no.: 374794
TINY TROLLEY

from 57,93 EUR

Item no.: 374794 shipping weight: 2.00 kg Manufacturer: dantoy

Product Description

A robust baby walker from the Tiny series that is suitable for both indoor and outdoor play and learning to walk. The sound-absorbing rubber wheels of this trolley ensure that it can also be used indoors. In addition, this baby walker is made of a robust material so that it can easily be taken outside to play or as a garden trolley. This baby walker keeps pace with the child's development and is a good support during the time when the child is taking its first steps. Later on, the trolley is perfect for filling with sand, water or anything else that needs to be transported. Play tips: Create a course using the three cones from the cardboard packaging of the baby walker and try to zigzag without knocking over the cones. The baby walker is made in Denmark by dantoy, is made of Nordic Ecolabelled plastic and is available in the calm, muted Tiny series by dantoy offers plenty of opportunities for physical development and at the same time strengthens walking, balance and motor skills. Details- From 12 months- Made in Denmark- Contains no harmful substances- Can be washed by hand- Nordic Ecolabel - For the benefit of health and the environment
