**Product Description**

Robust, indestructible tractors in muted, natural colours with front loader/shovel, perfect for the sandpit. Filling and emptying the shovel promotes the child's hand-eye coordination, among other things. The BIO tractors are made in Denmark from organic plastic, a sustainable raw material consisting of 90% sugar cane, and have been awarded the Nordic Swan for this. Details- From 2 years- Dishwasher-safe Encouragement- Stimulates the imagination- Promotes interaction- Strengthens social skills- Boosts self-confidence- Promotes balance- Promotes fine motor skills- Hand-eye coordination- Motor disorder
