Product Description

AGARIN is a mini globe in a classic design that rests firmly on a high-quality, heavy metal frame. The 130 x 170 millimetre globe is optionally available with a chrome-plated metal base and shiny globe or alternatively with a black matt metal base and matt globe. Thanks to the central axis, our planet can be viewed from all sides. The countries and cities listed are shown in English. Globe with 13 cm diameter, black metal base, movable axis, plastic / metal, matt, turquoise/white. High-quality workmanship: Mini globe with a handy overall height of 17 cm, rotatable on a sturdy matt black metal base. Impressive design and high-quality surfaces. Lined with felt to protect furniture surfaces. Attractive design: Matt two-colour globe GAGARIN (13cm diameter) with golden country areas and black seas, labelled in English with continents, oceans, countries, geographical zones and important cities. Functional and decorative: Stylish interior design, whether on a desk, shelf or sideboard. Added value: With its realistic details and high-quality workmanship, the globe is not only a decorative element, but also an educational tool for curious minds of all ages.
