Product Description

DROPLET Soap Dish, clear

Umbra Droplet soap dish made of acrylic glass is an oval soap dish with drain for bathroom and kitchen.

Droplet Soap Dish is part of Umbras Droplet collection, a series of bathroom décor items replicating a drop of pure water, through shape and transparency. Made of durable, strong acrylic, Droplet gives off the illusion of delicate glass, but is practical and breakage-resistant.

Droplets smooth wave-like ridges keep the soap bar from sitting in a pool of water and disintegrating. This modern soap dish measures at 14 x 10 x 2 cm and is a clean, modern addition to any bathroom or kitchen.

Umbra is an international design company known for original, modern, cool, functional and affordable products for home & living.
