Product Description

With two axes. The 300 x 360 millimetre JURI table globe combines purist design with high functionality and quality. Thanks to its two axes, the globe can be rotated in all dimensions and provides a clear view of all corners of the world. The English-labelled globe has a chrome-plated metal frame and a metal base. It is available with a chrome-plated metal base and a shiny globe or alternatively with a black matt metal base and a matt globe. Globe with 30 cm diameter, black metal base, two movable axes, plastic, metal, shiny, blue/green. High-quality workmanship: Large table globe with a total height of 36 cm, every angle is visible thanks to its two axes, stands on a sturdy black matt metal base. Impressive design and high-quality surfaces. Attractive design: Shiny physical globe JURI (30 cm diameter) with two axes, with green-brown country areas and dark blue seas labelled in English, with continents, oceans, countries, geographical zones, important cities and mountains. Functional and decorative: Stylish interior design, whether on a desk, shelf or sideboard. Added value: With its realistic details and high-quality workmanship, the globe is not only a decorative element, but also an educational tool for curious minds of all ages.
