Product Description

Jewellery case Helen, bordeaux

Flower patterns are a real must-have. The FLORAGE collection has a flowery pattern and still looks classic. The colors go tone in tone and are perfectly matched to each other. These jewelry boxes are not only the best and safest place for your treasures, but also a decorative accessory for your living area.

The production of our jewellery cases, watch boxes and cases requires highest craftsmanship. It takes many years until a box maker masters these skills. In our manufactory, we maintain this craft since 1846 and have developed it permanently. This knowledge is incorporated in the production, which takes place until today almost exclusively by hand.
