Product Description

Jewellery case Eva Crystalo, black

Crystals from Swarovski(R) create the unique look of these jewellery boxes. The black suede imitation in combination with the Swarovski(R) crystals are the ideal storage place for your jewellery. This is how your jewellery is perfectly presented.

The production of our jewellery cases, watch boxes and cases requires highest craftsmanship. It takes many years until a box maker masters these skills. In our manufactory, we maintain this craft since 1846 and have developed it permanently. This knowledge is incorporated in the production, which takes place until today almost exclusively by hand.
