Product Description

Jewellery case Eva New Classic, bordeaux

Italian chic and classical modernism characterize the style of the collection of New Classic by SACHER.

The production of our jewellery cases, watch boxes and cases requires highest craftsmanship. It takes many years until a box maker masters these skills. In our manufactory, we maintain this craft since 1846 and have developed it permanently. This knowledge is incorporated in the production, which takes place until today almost exclusively by hand.
